

HEY!
its free!

Sorry folks, it looks like you've been given some bad information.

Unfortunately, the free Jockey's underwear coupon from Macy's was for 2008, not 2009. If it makes you feel any better, I lost my free pair that I got last year long ago, so we're both currently in the No Free Underwear boat.

As a consolation prize, why don't you head on over to [Hey, It's Free!](http://www.heyitsfree.net) (www.heyitsfree.net) and check out some current freebies and bad jokes?
